

# Vo-Cal Founders' Circle

Back Row: Stephanie Puhl Young, Sarah Sandvig & Susan Wong  
Front Row: Kathleen Martin & Christin Cornell

Vo-cal held its inaugural meeting on Thursday June 18<sup>th</sup>, 2015. The organization was founded out of a need for a new, positive & exciting competition for voice students in California.

Voice Teachers residing in California in The following counties: Los Angeles, Orange, Ventura, Santa Barbara, San Diego, Riverside or San Bernardino, will be able to enroll students in the annual competition and form new friendships and connections with fellow voice teachers.

Students who participate in the competition will receive valuable feedback from adjudicators and have the opportunity to perform and earn prizes if they win in their categories.

We do hope you will participate in the Vo-cal Competition and provide a wonderful opportunity for your students to audition, sing and grow!
